Gooi Soon Hock
Executive Director

20 February 2013

About Frencken Group

Frencken Group Limited is a high-technology capital and consumer equipment service provider that provides complete and integrated one-stop outsourcing solutions in partnership with its customers in the capital equipment, automotive and consumer industries.

The Group’s business is classified under two main divisions:

- *The Mechatronics Division provides solutions for the design, development and production of complex, high precision industrial machinery and capital equipment for the medical, semiconductor, analytical and industrial automation industries.*
- *The EMS Division offers integrated design and manufacturing services for automotive, office automation, consumer and industrial products.*

Leveraging on the advanced capabilities of strategically located production facilities in The Netherlands, Singapore, Malaysia, Indonesia, Thailand, China, India and the USA, the Group provides a comprehensive range of product solutions that span the entire value chain - from initial product design, development and prototyping, to engineering, final test, and series manufacturing.

The Group serves a diversified customer base that comprises renowned global companies in the medical, semiconductor, analytical, industrial automation, automotive, office automation and consumer industries.
