

FRENCKEN GROUP LIMITED
(Company Registration No. 199905084D)

Announcement

UPDATE ON THE GROUP'S MANUFACTURING OPERATIONS IN MALAYSIA

The Board of Directors of Frencken Group Limited ("**Frencken**" or the "**Company**", and together with its subsidiaries, the "**Group**") refers to the Company's update on 23 March 2020. Unless otherwise defined, all capitalised terms in this announcement shall bear the same meaning ascribed to them in the announcement dated 23 March 2020 and titled "Update on the Group's Manufacturing Operations in Bangi, Malaysia".

In light of the extension of the Movement Control Order in Malaysia until 28 April 2020, the Group wishes to inform that it has received approval from the authorities to continue with all its manufacturing operations in Malaysia. This encompasses the Group's Mechatronics manufacturing operations in Bangi, as well as its IMS (Integrated Manufacturing Services) operations in Johor and Sungai Buloh.

The Group will adhere to the conditions as stipulated by the authorities, which include reducing the number of employees working at its factories in Malaysia during the period of the Movement Control Order.

The Group will closely monitor the evolving Covid-19 situation, and shall keep shareholders apprised of any material developments as and when they arise.

On behalf of the Board,

Dennis Au
Executive Director

17 April 2020

About Frencken Group Limited

Frencken Group is a Global Integrated Technology Solutions Company that serves world-class multinational companies in the automotive, healthcare, industrial, analytical & life sciences and semiconductor industries.

Frencken Group operates on a worldwide scale through its established local presence of 17 operating sites and 3,400 employees across Asia, Europe and the USA. Working in partnership with its growing base of global customers, the Group unites the strengths of its strategically located businesses to create value for a wide variety of end-user markets.

Leveraging on its advanced technological and manufacturing capabilities, Frencken Group provides comprehensive Original Design, Original Equipment and Diversified Integrated Manufacturing solutions. The Group's extensive solutions span from product conceptualization, integrated design, prototyping, new product introductions, supply chain design and management, state-of-the-art value and volume manufacturing services to logistics solutions.
